With this grand total of capital represented in my agency, I offer to those wanting indemnity against loss by Fire, or by Death, or by Accident, protection second to no other list to be found anywhere. I shall give the business of insurance my person il attention in all its details, thus ensuring promptness. My twenty years practical experience in the business gives weight to the assertion that a knowledge of rights of the policy holder and companies, acquired during that time, and a disposition to fight a fight of the policy holder and companies, acquired during that time, and a disposition to fight a fight of the policy holder and companies, acquired during that time, and a disposition to fight a fight of the policy holder and companies are portion of the Insurance to be done, as has been the case in the past.
